

Toddler Town Daycare

“Where your child *always* comes first”

Dear Parents,

As you may know, word of mouth is the best form of advertising; perhaps that is how you came to find out about our center when you were looking for a daycare. We love providing a safe and educational environment for children while their parents go to work or school. That is why we are always looking for new students to join our center—and we would like your help!

If you have been happy with our services at Toddler Town Daycare or Toddler Town Day-care Too, we ask that you refer us to any of your friends or family in need of a daycare. In return, **we will take \$100 off of your tuition balance if they stay past 30 days.** It's that simple!

If you find that you have not been happy with some of our services, we encourage you to visit our website at www.toddlertownchicago.com or www.toddlertownevanston.com and fill out the “family survey” form to let us know the things on which we can improve. Your opinion matters!

**We thank you for your continued
support of our school!**
