SHARKS: 5 YEAR OLDS:

October was such a fun month, with the changing of seasons and watching the changing of leaves, carving pumpkins and painting paper pumpkins. Making spiders and bats were spooky. We were very excited walking through the neighborhood, feeling the change of weather, making fall trees and finger painting the fall leaves.

November brings just as much fun. The Sharks' weekly themes will include healthy eating, Turkey, Native Americans/Pilgrims, and Thanksgiving. Some activities will include Making Turkeys, identifying healthy vs. unhealthy

foods, making Native American headdresses, and sharing a Thanksgiving lunch together. We will be working on writing the numbers 1-10 and continue to work on our first names. Happy Thanksgiving everyone!

BUTTERFLIES: 4 YEAR OLDS:

Hello parents! November is here! We have had so much fun learning about trees that we will continue our study for now. There is so much to learn that we do not want to stop just yet. We will also be talking about why are we thankful and what things we are thankful for.

I want to thank all the parents that participated in the family project, it was a success. Children were so excited to present what they had completed at home with their parents. We will be having another family project this month, cannot wait to see the ending results. Enjoy November!!!

CHIPMUNKS: 3 YEAR OLDS

Howdy All!

In October we explored Manners, Cats, Fishing & Shapes. All had a good time.

November will bring some fun and action to the classroom as it gets colder outdoors.

This November we will explore The Five Senses, Circus Fun, All About Me, Jr. Olympics.

As always there will be a letter and number of the week, and this may vary at times with a shape or color of the week.

See ya at school!

BUMBLEBEES: 2 YEAR OLDS

November 2016! How time flies!

October was very fun exploring with leaves, apples and pumpkins and much more. Using words was a big thing in my classroom, children are now becoming more verbal and aware of rules and routine.

During the month of November, we will be discussing the following: Day and Night, Communication, manners, being thankful,

giving/sharing and healthy habits. Again, I will be focusing a lot on using positive reinforcement and helping my students open up a lot more. Being able to communicate is very

important, even if it's not verbal. Children will be learning some sign language communication, if you see them use it at home, please encourage it and acknowledge it. Also, don't forget to pick up your November list of family projects. THANK YOU!
